"Celebrating Legacy and Tradition"

A UNIT OF THE UNIVERSITY SYSTEM OF GEORGIA

~ Friday, June 24 ~

6:30 p.m. - 9:00 p.m.

~ Saturday, June 25 ~ 10:00 a.m. - 12 noon

Greetings,

It gives me great pleasure to welcome you to Albany State University National Alumni Association (ASUNAA) 42nd Annual Conference. I am so delighted that you decided to join us for this virtual experience.

This year's conference theme is "Celebrating Legacy and Tradition". This is a moment that allows us to express our commitment to honor the past, not from a desire to be stagnant, but as a source of inspiration to direct our own efforts for the benefit of those who will follow us in the decades and centuries to come.

The goal for this conference to provide an overview of alumni student recruitment and making connections between alumni and students. We will acknowledge the alumni chapters, all of whom are incredibly dedicated to our students, our beloved Albany State University, and their communities. Additionally, an overview of the new alumni achievement awards guidelines will be presented and the 2022-2024 ASUNAA Board of Directors will be installed.

The 2022 Planning Conference Committee has worked diligently and extremely hard to ensure that your conference experience is a memorable one. Without the cooperation of the Committee, the ASUNAA Board of Directors, ASU Alumni, the faculty, staff and friends of Albany State University it would not have been possible. Your support and dedication are deeply appreciated.

GO RAMS!!

Sincerely,

TaKeshia L. Thomas

ASUNAA President

We are excited to welcome you to the Albany State University National Alumni Association's 42nd Annual Conference. Under the leadership of Dr. Takeshia L. Thomas, President of the Albany State University National Alumni Association, Inc., members of the Conference Planning Committee have worked diligently in planning what we hope to be an engaged, inspiring, informative and call to action Conference.

The theme for the Conference is "Celebrating Legacy and Tradition" which means that we want to celebrate ASUNAA, ASU Alumnus and ASU. The past year has been one of growth and changed. We hope this Conference will provide a positive and rewarding experience for all our attendees!

The overall objectives of this Conference are to highlight the importance of giving back to ASU by recruiting qualified students and making connections through Career Services. We will also provide an overview of our awards guidelines as well as the State of the Association.

The ASUNAA Annual Conference Planning Committee thanks you for supporting this Virtual Conference.
